

*Board of Directors call
November 7, 2018
Amy Sullivan, Executive Secretary*

On the call: Tony Cofer, AL; Rose Kachadoorian, OR; Leo Reed, IN; Cary Giguere, VT; Liza Fleeson Trossbach, VA; Amy Sullivan, AAPCO SFIREG

The call began at 2pm Eastern Time.

Discussion began on the Issue Paper recently submitted by SFIREG to EPA and Fleeson Trossbach will follow up with EPA.

Reed and Cofer recently had a call with NASDA to introduce the plant industry folks to each other and to support cooperation between the programs. Cofer also made sure NASDA knew they were welcome to attend the SFIREG and AAPCO meetings, and we look forward to that happening.

The board then discussed the Dicamba registration decision by EPA. SFIREG will try and form a workgroup to try and come up with some national consistency for the terms and phrases used in the decision.

Indiana is requesting a letter of support for the check sample program for a waiver to hire a chemist. The board agreed to support. Cofer asked for a motion, Kachadoorian motioned, and Lastinger seconded. The board voted unanimously to approve the letter of support.

The board then discussed the Annual Spring Meeting agenda.

The call was finished at 3:30 pm Eastern Time.
