

ASSOCIATION OF STRUCTURAL PEST CONTROL REGULATORY OFFICIALS

ASPCRO Report

ASPCRO

Vision

To be the most responsive and reliable unifying voice of state, territorial, and tribal non-agricultural pest control regulatory officials.

Mission

This organization acts as a premier source of information for structural and non-agricultural pesticide use, compliance, and regulation by:

- ❑ Fostering partnerships with all aspects of pest control industry,
- ❑ Providing and promoting education and solutions to address emerging issues, and
- ❑ Acting as a liaison between the U.S. Environmental Protection Agency, consumers, and industry partners.
