

*AAPCO BOD Meeting Minutes  
February 7, 2025  
Amy Sullivan, AAPCO Executive Secretary*

The meeting began at 1:35pm eastern time. I did not record who was present on the call.

Sather-Olson began by reviewing the financials. The check sample funds are negative because we wrote off unpaid balances in December 2024.

AAPCO Annual Conference and Meeting registration fees are beginning to come in and we are paying the hotel in increments prior to the event. Sather-Olson will compare the December 2023 and 2024 SFIREG meeting expenses and report back to the board.

The board then moved to discussing the upcoming conference.

Paluch provided a NASDA liaison update, sharing that she would be attending their Winter Policy Conference later in the month. Discussions there will include ESA implementation and AAPCO shares several of their 2025 Policy Priorities. We are also looking forward to having Patrick Wade with NASDA's policy team speak at the conference.

Federal Register pesticide updates have been coming in from states for dissemination through the listserv, and that is very much appreciated. There are several comment period extensions at this time.

The meeting adjourned at 3:59pm eastern time.

Respectfully submitted,

A handwritten signature in black ink that reads "Amy Sullivan". The signature is fluid and cursive, with "Amy" on the top line and "Sullivan" on the bottom line.
